DEDICATION

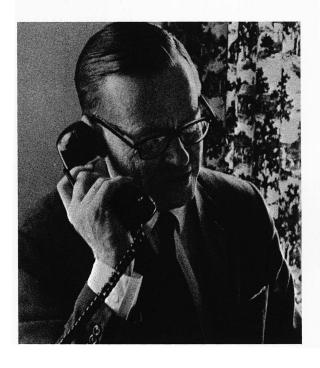

In this year of growth and progress for Ohio Northern
University, we are proud to dedicate the 1965 Northern
to a man responsible for a special kind of growth,
Chaplain James S. Udy.

Through his efforts, the religious life of the campus has become more meaningful and realistic. During his two years at Ohio Northern, Dr. Udy has become one of the most dominent spokesmen and organizers of student life.

The McIntosh Years

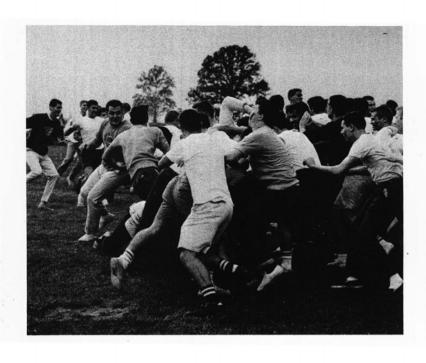

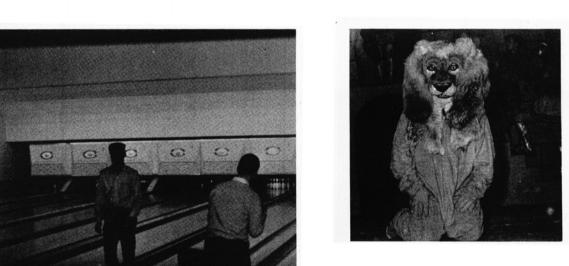

Years Of Ambition

Years Of Fun

THE TRIALS OF BEING A FRESHMAN

Being a freshman isn't simply a matter of moving in . . .

and getting acquainted with the campus

But it isn't so bad

There are rules to learn, traditions to follow . . .

and if you don't—troubles!

There are things to do

friends to find

and...

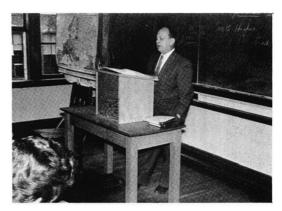

of people

and places

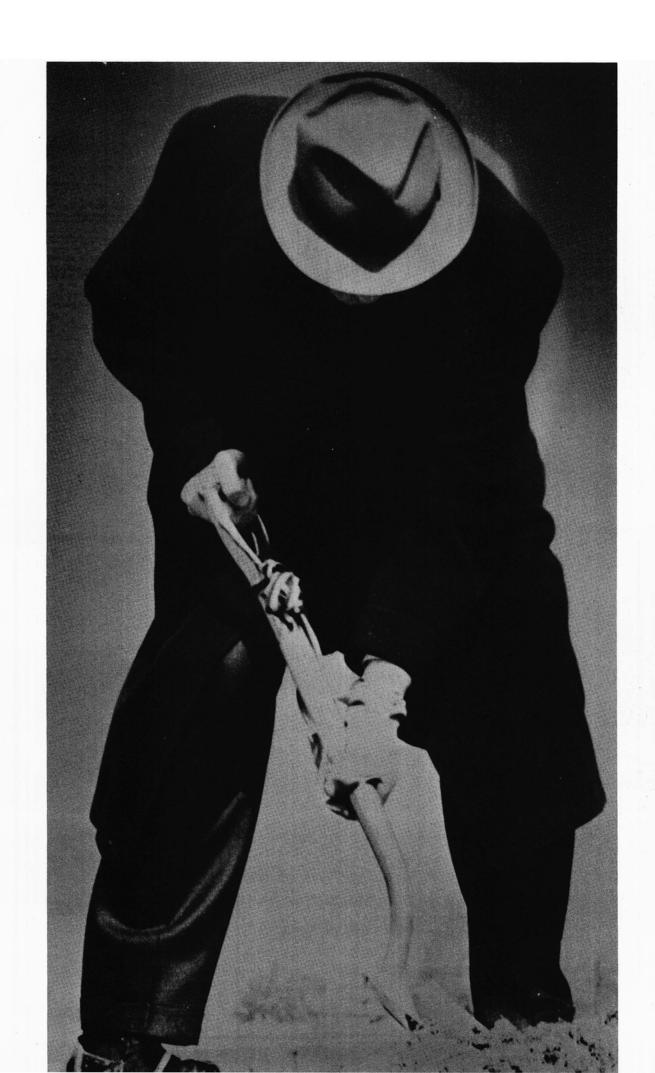

a whole new era

of learning

and being on your own

4

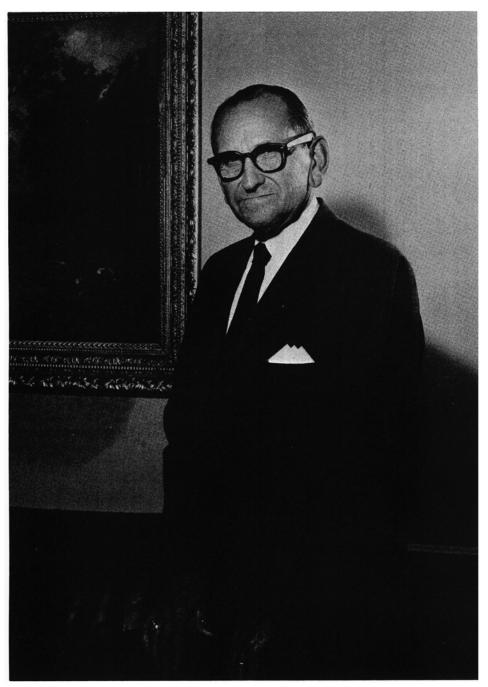

He who thus considers things in their first growth and origin, whether a state or anything else, will obtain the clearest view of them.

*ARISTOTLE

FRANK BRINGLE McINTOSH
President of the University

PRESIDENT

President McIntosh was elected president of Ohio Northern in 1949 after an illustrious background which included degrees from DePauw University, Boston University, and Rio Grande College.

Under his capable guidance, Ohio Northern has seen fifteen prosperous years of development and growth, both physically and in academic standing.

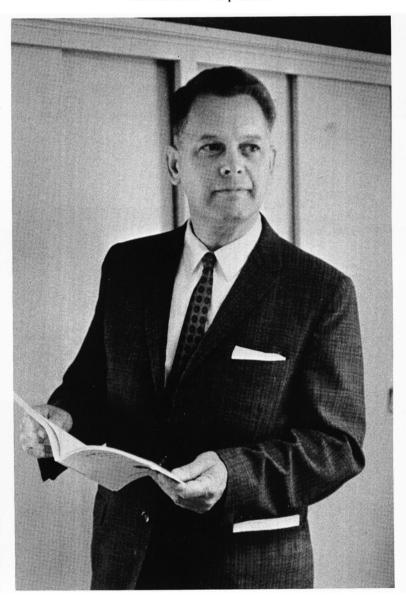

In keeping with the friendly atmosphere on campus, Dr. McIntosh is always ready with a cheerful smile and hello as he crosses the campus.

A great deal of credit must be bestowed upon Dr. McIntosh for his fine leadership in getting ONU's recent development plan off the ground. The opening, last January, of the University Union marks the "culmination of a dream of ten years."

VICE PRESIDENT

President McIntosh, with the able assistance of Vice-President Eakin, strives to uphold the aims and purposes of Ohio Northern University: to graduate students imbued with Christian ideals, accomplished in scholastic achievement, inspired with a desire to contribute to the good of mankind, and committed to a way of life that will result in a maximum of personal and social worth.

idea man... the Keller yearbook representative

JOHN W. LANDRY

To the casual reader a yearbook is often simply an "album" of pictures with accompanying identifications and enough written text to fill up the remaining holes on the pages. Merely ink on paper ...though nice to own and enjoy.

But to the staff and the adviser the yearbook means much more. For yearbook work comprises a multitude of details: Layout, Art, Photography, Copy, Typography, Covers and Binding (not to mention the small detail of money-raising). Highly technical and often confusing, these details are at the very least time-consuming and a source of anxiety to a staff unless the publisher's representative is company-trained to give needed help and suggestions.

All representatives for Wm. J. Keller Inc. are skilled in the many facets of yearbook work, having at their finger-tips the answers to yearbook problems as well as a multitude of ideas for new graphic arts special effects, to enable the staff to produce a yearbook that is different and attractive. Your Keller salesman is more than a technical adviser, he is a "clearing-house" of yearbook ideas.

THETA CHI

Theta Chi was founded on the campus of Norwich University in Norwich, Vermont, on April 10, 1856. On the Ohio Northern campus, Theta Chi was established as a colony on February 20, 1965. It is the newest fraternity to come to the campus in 23 years. Nationality, Theta Chi has 132 chapters with currently 11 colonies, such as the one here at Northern, in the process of applying for a national charter.

The watchword of Theta Chi, "Alma Mater first and Theta Chi for the Alma Mater," sums up the primary objectives of Theta Chi Fraternity. The Fraternity's long-standing policy of maintaining a balance between scholastic attainments and campus activities has received the endorsement of educators, parents, and undergraduates alike.

Of special interest this year was the induction banquet, honoring our installation as a colony on the Ohio Northern campus. Present, in addition to our own brothers, were representatives from Bowling Green State University, Miami University and Ohio State University, presidents of all the other social fraternities on the campus, several Theta Chi National Executive Officers, and distinguished administrative and faculty representatives.

This year is one of growth for the Theta Chi Colony here at Ohio Northern University. Every activity is planned and directed toward our immediate goal, that of obtaining a National Charter in 1966.

The 1964 football season proved to be a successful one as the Polar Bears finished with seven wins and three losses.

Highlighted by an opening season upset of Waynesburg College, 36-28, ONU went on to win its first five games and reach fifth place ranking in the NAIA weekly polls.

Findlay College handed the Bears their first loss to the tune of 33-7. Although statistically close, the scoring difference came as the result of fumbles and interceptions.

Northern closed the campaign with a 32-21 upset of "Football Kings," John Carroll.

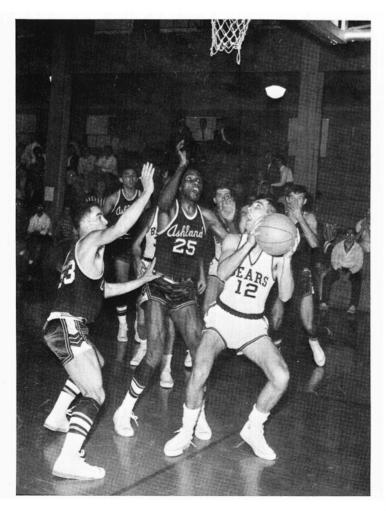

Kobilarcsik led the team in two departments: rushing with 605 yards and scoring with 42 points.

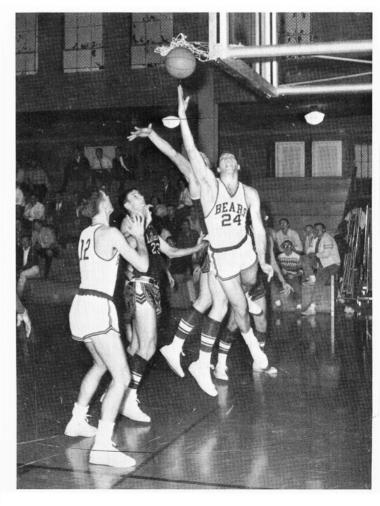

Gary Warner received honorable mention NAIA Small College All American while Larry Imboby, Chuck McMasters, Jim Finch, and Woody Crumrine were named to the District 22 NAIA All Star team.

Northern's basketball team under the direction of Larry Michael in his first year as head coach, finished in the 64-65 season with an 8-16 record for their first losing season in six years.

The small Bears, although losing, had several highlights throughout the year.

In the second game of the season, ONU set a Taft Gymnasium floor record for the most points scored in one game when they defeated Aquinas, 123-90.

The second bright spot was the opening game of the First Annual ONU Invitational Tourney when the Bears upset Muskingum of the Ohio Conference, 60-57.

In the first game of the Findlay Invitational Classic, ONU upset undefeated Cedarville, 88-64. Findlay won the tournament by beating the Bears in the finals, 87-84.

Another highlight was the 51-50 victory for Northern over highly ranked Ashland.

The biggest disappointment of the season was the five losses suffered from Bluffton and Findlay. Bluffton defeated the Bears twice, 85-83 and 80-77; Findlay defeated the Bears three times, 87-84, 84-83, and 70-68.
